

We've given new meaning to the words:

MAGIC PLASTIC

In-CREDIT-able!

Short run comps of credit card designs with ALL the trimmings... in 4 DAYS

Comp24 has years of experience working with major financial institutions directly, AND with their designers, on credit card projects for focus groups and presentation. It would be hard to surprise us with your designs, but we certainly hope you try!

Printed on actual credit card stock:

- Holographic effects
- Color blends
- Translucent cards
- Magnetic strips
- Foils
- Embossing

Credit card comps
nothing short of...

IN-CREDIT-ABLE!

Comp24 offers the highest quality, complete, short run credit card comping service for designers and corporations.

This is a specialized prototyping service that has no equal.

Comp24 cards are printed on credit card vinyl and are round cornered like the real thing. Special features include—

- Holographic effects
- Translucent cards
- Foils
- Color blends
- Magnetic strips
- Embossing
